

CYBEXciting

*Available with optional Personal Entertainment Monitor

The CYBEX LCX-425T is a light commercial treadmill built on the platform of a commercial treadmill. It offers runners and walkers all the comfort, security and features they demand while providing an amazingly small footprint and a surprisingly large running surface.

LCX-425T Treadmill

big performance

SMALL SPACE

Features

Space Saving & Low Maintenance

A commercial sized running surface in a compact footprint. Virtually maintenance free, with a whisper quiet operation.

Smooth & Powerful

The 3.0 HP motor and high-efficiency PWM controller combined with rugged 2.75" rollers provide exceptionally smooth operation at all speeds.

Solid & Sleek

Clean, open front design. Vibration-free construction.

Intelligent Suspension 3

Our IS3 deck suspension system flexes primarily at the point of impact, absorbing shock where it occurs, unlike the traditional floating decks which indiscriminately give way and cause instability in a runner's stride.

Engineered for Convenience

At hand convenience with split-level consoles, two water bottle sized holders, magazine rack and tabs and MP3 player/utility tray.

specifications

Product Number	425T
Dimensions	32" W x 72" L x 61" H (81 cm x 183 cm x 155 cm)
Machine Weight	320 lbs (145 kg)
Running Area	20" W x 60" L (50 cm x 152 cm)
Speed Range	0.5 mph – 11 mph (0.8 kph – 17.7 kph)
